

## Introducing the all in one LSV UTV!\*

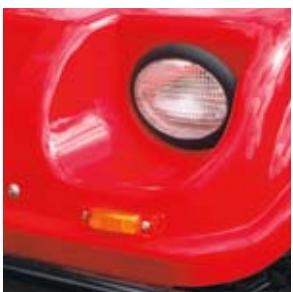

American SportWorks has combined the functionality of our electric 48V UTV with the features needed for a Street Legal Low Speed Vehicle (LSV). Use the American SportWorks LSV-48V for working around your yard and then a trip to the grocery store!

American SportWorks LSV-48V

Turn signals & horn control on steering column.

Front headlights & amber turn signals for greater visibility.

Tail lights for braking and turning.

Shatter-resistant windshield that meets AS-5 glazing specifications.

<b>WARNING!</b> An LSV can be hazardous to operate. Failure to understand and follow <b>Warnings and Instructions</b> for the safe use and maintenance of this product may result in <b>Death or Injury!</b> <b>For your safety:</b> Always use seatbelts. Sharp turns or abrupt maneuvers at high speeds may cause the vehicle to roll over or go out of control. Children may not have the skills or experience needed to safely operate an LSV. Drivers should possess a valid driver's license. Check state and local laws for legal operation. Read, understand, and follow all warning labels on the vehicle and in the Operator's Manual.	
<b>WARRANTY INFORMATION</b> • 1 Year: Motor and All Other Components. <b>General Exclusions:</b> Warranty does not cover failures caused by: accident or collision damage; abnormal strain, neglect, or abuse; improper assembly of parts included in the shipping crate; improper maintenance or use, such as: competition or racing. <b>Specific Exclusions:</b> This warranty does not apply to normal wear items, including but not limited to: tires, brake lining, throttle cable, belts, seat, fasteners, or decals. See operator's manual for detailed warranty information. Color, graphics and/or specifications subject to change without notice. Proudly made in the U.S. of U.S. and imported parts.
