

Dear Jesus, as I have studied thy life and seen the strong and beautiful way in which thou didst live each day, I have come to love thee. I bow in worship before thy perfect life. I want my life to be like thine.

Help me to remember this at home, at school, to my friends, whenever I am tempted to do wrong. Make me strong to do the helpful things so that I may receive new strength each day.

Help me to be loyal and faithful to my church, to my home, my school and my country.

In thy named ask it. Amen.
